Dear Mikhail,

We at Infosys believe our employees are our most valued asset and key to us achieving our goals. It is our continuing ambition to find and retain people who believe in our values and share our desire to build a great Company. Based on our recent discussions with you and our review of your profile, it is with great pleasure that we offer you the below position with Infosys Limited in Addison, TX.

Role: Technology Lead - US

Role Designation: 835ATHLDUS : Technology Lead

Your Personal Level will be 5.

With your acceptance of this offer, your employment start date is September 26, 2019. We request you to report in person for onboarding at Richardson, TX.

Your current role has been classified as exempt in accordance with Federal Fair Labor Standards Act (FLSA) and applicable federal and state wage and hour laws. The Exempt or Non Exempt Status of your Role is determined by state and federal regulations and is subject to change from time to time. Any changes in the exemption status will be communicated to you.

Your role has associated billable and productivity expectations. It is expected that you will make efforts to find suitable client- billable assignments based on your skills and to maximize your utilization.

Due to the nature of this role, your actual work location may vary over time. While we do our best to match your qualifications and preferences to our client engagements, your continued employment with Infosys is contingent upon willingness to travel and/or relocate.

Your fixed compensation will be USD 95000 per annum and will be paid in accordance with the Company's bi- weekly payroll schedule, with pay date every other Friday. Pay period details are available with the annual payroll calendar in the Company's intranet, which will be available for your review once you join the Company.

If there is any change in your assigned role and/or work location, your compensation will undergo change. Any changes in your compensation will be communicated to you.

You are responsible for paying all taxes and levies as per the prescribed regulatory requirements. The Company will deduct taxes and levies from each pay check, as required by applicable law. You will be solely responsible for submitting all tax documentation and paying your individual taxes in accordance with the regulatory requirements.

Future promotions and increases in salary will depend solely on your performance and contribution to the Company; no promotions or salary increases are guaranteed.

You are also eligible to participate in Infosys' benefits program, including comprehensive medical and dental plans, life insurance, a long-term disability plan, and paid vacation and holidays. A summary of Infosys' benefits is included with this letter under Attachment 5.

Your offer is contingent upon the following: (1) signing Attachment 1: Non-Compete and Non Solicitation Agreement, Attachment 2: Mutual Arbitration Agreement, Attachment 3: Confidential Information and Inventions Agreement, and Attachment 4: At-Will Employment Agreement; (2) satisfactory outcome of a criminal convictions disclosure and background check which, depending upon your position and department, may include professional references, verification of previous employment and education, criminal background check, drug screening, and/or a consumer credit check subject to applicable law; and (3) your demonstration that you are legally authorized to work in the United States through the I-9 process, in compliance with the Immigration Reform and Control Act. For some employees, portions of a criminal convictions disclosure and background check might not be complete as of the date of joining. In these circumstances, you understand that if the check does not have a satisfactory outcome or if the Company cannot verify education or employment credentials, your employment could be subsequently terminated.

In the event Infosys determines that it will file an H-1B petition on your behalf, Infosys will prepare the necessary paperwork with cooperation from you. This initial filing should not be deemed a guarantee that Infosys will file future extensions for you – that will be based on an assessment of business need at the time of extension. If you rescind your acceptance of this offer of employment after Infosys has incurred costs for the filing of your H-1B transfer application, Infosys may recover such costs directly from you, to the extent permitted under law.

Infosys is an "at-will" employer. This means that either you or Infosys may terminate your employment at any time, with or without cause, and with or without prior notice. It also means that your job duties, job title, responsibilities, reporting level, compensation and benefits, as well as Infosys's personnel policies and procedures, may be changed at any time. The "at-will" nature of your employment may only be changed by an express written agreement that is signed by you and by the Chief Executive Officer of Infosys Limited.

If you accept this offer, and the conditions of this offer are satisfied, this letter and the written agreements referenced in this letter shall constitute the complete agreement between you and Infosys with respect to the initial terms and conditions of your employment. Any representations, whether written or oral, which are not contained in this letter or contrary to those contained in this letter that may have been made to you are expressly cancelled and superseded by this offer, and you agree that you are not relying on any such promises.

To formalize your acceptance of this offer, please send us a mail confirmation to raj.jani@infosys.com and US_Onboarding@infosys.com within 5 business days from the date of this Offer letter. By doing so, you also accept and agree to the transfer of your personal information to the Company's head office located at Bangalore, India for the purpose of administering the human resources elements of its business.

This offer will be deemed to have been rejected by you if you notify Infosys in writing that you are rejecting the offer.

Infosys is an organization that has built an outstanding reputation for exciting, innovative and quality products and services. Credit for this goes to every one of our employees. We look forward to you accepting our offer and becoming part of the Infosys team.

Sincerely,

Richard Lobo
